

ZO SKIN HEALTH INC
— BY ZEIN OBAGI MD —

“My mission is to create skin that is healthy, youthful
and vibrant, fulfilling my definition of skin health.”

ZEIN OBAGI, MD

The *mastermind* behind ZO®

ZEIN OBAGI

Researcher. Innovator. Author. Educator.

For more than 35 years, Dr. Zein Obagi, Board-Certified Dermatologist, has pioneered advanced skincare solutions based on his philosophy of creating healthy skin as opposed to merely treating disease and damage. His visionary approach has earned him an international reputation as a leading authority on skin health and rejuvenation.

Today, Dr. Obagi's innovative principles for restoring skin health are considered the gold standard in skincare. He is ranked among the world's top experts on chemical peels, just one of his many areas of expertise. He is also considered an expert in treating skin of color, often tackling the most difficult cases from around the world.

Throughout his career, Dr. Obagi has worked as an educator, training thousands of plastic surgeons and dermatologists at scientific forums worldwide. He has also been a prolific author and lecturer, presenting more than 500 workshops and panels on topics pertaining to skin health and rejuvenation.

With his breakthrough contributions, Dr. Obagi has done far more than to become synonymous with results-oriented skincare. He has literally redefined and advanced the science of skin health.

1981

Defined the science of skin health

1983

Developed the principles, treatments and protocols for skin health

1988

Founded Worldwide Medical, Inc. (Original Obagi Nu-Derm® and Obagi Blue Peel® kit)

1997

Worldwide Medical, Inc. becomes Obagi Medical Products

2007

Ended his relationship with Obagi Medical Products and founded ZO Skin Health, Inc., where he developed ZO® Skin Health products for daily and preventative use

2012

Launched ZO® Medical as his new frontier; also introduced expanded treatments and protocols and created the ZO® Skin Health Circle™ to represent his concept of comprehensive skin health solutions

ZO Skin Health, Inc. and Dr. Obagi have no business relationship with Obagi Medical Products, and Obagi Medical Products does not sell or endorse using any ZO® product. "ZO" is a registered trademark of ZO Skin Health, Inc. "Obagi" and "Obagi Nu-Derm" are registered trademarks of Obagi Medical Products, Inc.

ZEIN OBAGI, MD

World-renowned dermatologist

Founder and medical director of ZO Skin Health, Inc.

Head dermatologist of Obagi Skin Health Institute,

Beverly Hills, Laguna Beach, San Gabriel

Author, "The Art of Skin Health"

Conceived and brought to market the original Obagi Nu-Derm®

Creator of the original Obagi Blue Peel®

Comprehensive and continuous solutions for every skin type

Under the guidance of Dr. Obagi, ZO® has developed a wide spectrum of therapeutic products, daily skincare solutions and treatment protocols that create and maintain healthy skin.

A CASE STUDY*

ZO® Non-Hydroquinone Brightening Portfolio

In a clinical study, we evaluated the effectiveness of our non-hydroquinone hyperpigmentation solutions. Over the course of the 12-week study, 50 patients were treated. The results were remarkable.

86%

REPORTED A REDUCTION IN
APPEARANCE OF BROWN SPOTS
AND SKIN DISCOLORATION

ASSESSED BY PATIENTS

73%

SHOWED SIGNS OF IMPROVEMENT
IN BROWN SPOTS

REPORTED BY VISIA

72%

SHOWED IMPROVED
HYPERPIGMENTATION INTENSITY

ASSESSED BY PHYSICIANS

A special thanks to our ZO® physician partners

Dr. Frank Barone, Dr. Aaron Capuano, Dr. Z. Paul Lorenc, Dr. Anne Stubbs and Dr. Talal Munasifi

* Individual results may vary. ZO® products are intended to be used under the supervision of a treating physician. ZO® Non-Hydroquinone Brightening Portfolio includes the following products: Oilacleanse™ Cleanser for Normal to Oily Skin, Vitascrub™ Invigorating Foaming Scrub, Cebatrol™ Oil Control Pads, Ossential® C-Bright Serum 10% Vitamin C, Ossential® Brightalive Non-Retinol Skin Brightener, Brightenex™ Skin Brightener & Correcting Crème, Ossential® Daily Power Defense, Retamax™ Active Vitamin A Micro Emulsion, Restoracalm™ Soothing Recovery Crème and Occlipse® Sunscreen + Primer SPF 30.

Angela T. 38 years old.

Angela is an interior and furniture designer in Laguna Beach, California. She has been a patient of Dr. Obagi since 2005.

Effects® Hydrating Cleanser Normal to Dry Skin

This refreshing cleanser hydrates, rejuvenates and supports collagen production. It features panthenol and allantoin to soothe, repair and restore skin as it clears away dead skin cells.
150 mL / 5 Fl. Oz.

Normacleanse™ Cleanser for Normal to Dry Skin

This normalizing cleanser works with a highly advanced surfactant matrix and peptide/collagen boosting complex. It helps to firm, replenish, and calm the skin as it removes impurities.
240 mL / 8 Fl. Oz.

Foamacleanse™ Gentle Foaming Cleanser for All Skin Types

This gentle foaming cleanser is designed to remove impurities, deep clean pores and leave the skin feeling refreshed and clean. Formulated for all skin types, it contains antioxidant, anti-inflammatory and hydrating benefits.
240 mL / 8 Fl. Oz.

Vitascrub™ Acne Treatment

This multi-function, maximum strength treatment attacks acne-causing bacteria helping to promote clear skin. Chemical and mechanical exfoliants remove dead surface cells while tea tree oil dissolves and removes excess oil from the surface of the skin which can clog pores, leading to future breakouts.
Net Wt. 116 g / 4 Oz.

Balatone™ Calming Toner pH Balancer

This calming toner contains an exclusive blend of ingredients which work to gently remove impurities while balancing the pH of weak skin. It provides a cooling action that invigorates dry, sensitive and irritated skin (due to dryness) through hydration.
180 mL / 6 Fl. Oz.

Effects® Exfoliating Cleanser Normal to Oily Skin

This gentle resurfacing cleanser targets excess oil and pore-clogging debris. Encapsulated vitamin E provides hydration during the cleansing process as well as antioxidant protection for a smooth and protected skin finish.
150 mL / 5 Fl. Oz.

Oilacleanse™ Cleanser for Normal to Oily Skin

This dual-action cleanser/exfoliator targets excess oil and impurities to purify skin and help prevent and clear acne. It refines the complexion, reduces the factors that contribute to skin irritation and helps decrease the level of bacteria on the skin's surface.
240 mL / 8 Fl. Oz.

Effects® Exfoliating Polish

This skin-smoothing scrub contains ultra-fine magnesium crystals to exfoliate dead skin cells and increase epidermal turnover for a clear, smooth and even-toned complexion. Vitamins A, C, E and C esters provide antioxidant benefits to help maintain the skin's barrier function.
Net Wt. 65 g / 2.3 Oz.

Effects® TE-Pads Acne Pore Treatment

This daily leave-on treatment targets excess oil and clogged pores while controlling shine. Conveniently portable, TE-pads help calm and soothe irritated skin and help alleviate breakouts at a moment's notice.
60 Pads

Cebatrol™ Oil Control Pads Acne Treatment

This acne treatment solution works to help clear acne and prevent new breakouts. It contains a specialized oil-fighting ingredient which targets excess surface oil and eliminates shine making this advanced solution ideal for treating acne and sweeping away pore clogging oil.
60 Pads

Normalizing skin function for treatments and daily skin health

Cleanse

Choose the appropriate ZO® cleanser to:

- Normalize skin with proper cleansing
- Remove surface debris

Exfoliate

Choose the appropriate ZO® exfoliator to:

- Facilitate epidermal renewal
- Improve circulation
- Enhance product penetration
- Remove dead skin cells

Tone

Choose the appropriate ZO® oil control pads or toner to:

- Control oil
- Restore pH
- Soothe dry skin

Ossential® Brightalive
Skin Brightener

This non-retinol brightening treatment uses a multi-vectored approach to skin brightening. It minimizes the appearance of skin discoloration and dark spots while natural enzymes help exfoliate the skin.

50 mL / 1.7 Fl. Oz.

Ossential® C-Bright Serum
10% Vitamin C

This illuminating formula provides a potent dose of pure, stabilized ascorbic acid (10%) to rapidly retexturize skin surface pigmentation for a brighter, more even-toned complexion. It helps prevent new pigmentation formation by up to 80%, reduces wrinkle depth and provides superior antioxidant protection.

50 mL / 1.7 Fl. Oz.

Brightenex™ Skin Brightener
& Correcting Crème

This multi-function formula uses high-potency retinol to rapidly brighten and even skin tone. It minimizes skin redness caused by environmental factors and helps prevent future discoloration. It is ideal to use as a first course in treating hyperpigmentation and/or as a maintenance product after completing a course of Rx treatment.

75 mL / 2.5 Fl. Oz.

Glycogent™ Exfoliation Accelerator
10% Concentration

This unique glycolic and lactic acid complex was engineered to help reduce and prevent skin damage as it provides potent skin surface renewal. Anti-redness and antioxidant properties minimize the appearance of skin irritation and help prevent future skin damage.

75 mL / 2.5 Fl. Oz.

Melamin™ Skin Bleaching &
Correcting Crème
Hydroquinone USP, 4%

This highly potent Rx bleaching solution works gradually to lighten and inhibit hyperpigmentation by altering the essential subcellular metabolic processes that cause cell damage. It reduces the appearance of chloasma, melasma, freckles and sun damage and comes complete with vitamin E to help correct damaged skin cells.

Net Wt. 80 g / 2.8 Oz.

Melamin-C™ Skin Bleaching &
Correcting Crème with 20% Vitamin C
Hydroquinone USP, 4%

This advanced formula provides optimal melanin inhibition to correct the most severe forms of hyperpigmentation. This water-free formula self-activates upon contact with the skin's natural water content, maximizing its exfoliating and brightening benefits.

Net Wt. 85 g / 2.99 Oz.

Melamix™ Skin Lightener &
Blending Crème
Hydroquinone USP, 4%

This treatment is formulated specifically to be used with tretinoin or retinol resulting in an even distribution of pigment. Glycolic acid accelerates the removal of existing pigmentation while added anti-irritants, antioxidants and skin conditioners help mitigate irritation that can lead to pigment formation.

Net Wt. 80 g / 2.8 Oz.

Providing the benefits of
both hydroquinone and
non-hydroquinone treatments

HYDROQUINONE

Hydroquinone is a highly effective treatment of moderate to severe hyperpigmentation, especially melasma. This potent compound gradually bleaches and lightens skin conditions such as chloasma, freckles, lentigines and sun damage. Hydroquinone should be used for a maximum treatment period of 5 months in order to avoid inflammation, rebound hyperpigmentation and reduced tolerance. After this treatment period, patients can maintain their results with the ZO® Non-Hydroquinone Brightening System.

NON-HYDROQUINONE

For patients who need an effective hyperpigmentation treatment without hydroquinone, the ZO® Non-Hydroquinone Brightening Portfolio is the optimal choice. These brightening treatments rapidly brighten and even skin tone, minimize redness, improve skin color and reverse the signs of aging.

VITAMIN C | RETINOL
RX | RX + VITAMIN C

Ossential® Daily Power Defense

This anti-aging formula contains retinol, antioxidants and specialized DNA-repairing enzymes to help repair damaged skin cells. This product supports stimulating collagen production to help diminish fine lines and wrinkles.

50 mL / 1.7 Fl. Oz.

Ossential® Growth Factor Serum Plus

This lightweight formula features two growth factors that support collagen and elastin production for increased skin density. A combination of retinol and amino acids stimulates cellular function, reduces collagen degradation and restores elasticity.

30 mL / 1 Fl. Oz.

Ossential® Instant Pore Refiner

This lightweight, oil-free serum minimizes the appearance of pores. It features a dual-action formula which works to eliminate surface shine for an instantly mattifying finish.

COMING SOON

Olluminate® Intense Eye Repair

This continuously hydrating formula features stabilized retinol and advanced peptides that aid in strengthening skin and minimizing fine lines and wrinkles around the eye area. Optical diffusers highlight the eye area to reduce the appearance of dark circles.

15 mL / 0.5 Fl. Oz.

Hydrafirm™ Eye Brightening Repair Crème

This reparative formula is specially designed to help minimize the appearance of multiple signs of aging around the eyes. It works to instantly smooth the skin's appearance and rapidly reduces the appearance of puffiness.

Net Wt. 15 g / 0.5 Oz.

Ossential® Advanced Radical Night Repair

Using a high concentration of retinol in a patented, slow-release microdelivery system, this formula is designed to deliver rapid results to address multiple signs of skin aging. It helps new, healthy skin cells emerge to the surface for a smoother texture and radiant appearance.

60 mL / 2 Fl. Oz.

Retamax™ Active Vitamin A Micro Emulsion

This innovative retinol formula is blended with plant stem cell antioxidants and biometric proteins that improves skin texture and tone. It utilizes a micro-emulsion technology that helps reverse the signs of aging and aids in the prevention of future skin damage.

75 mL / 2.5 Fl. Oz.

Invisapeel™ Intensive Resurfacing Peel

This intensive resurfacing peel uses a unique process to renew the outermost layers of the skin without any visible exfoliation. Specialized enzymes help to improve texture and help even skin tone. It enhances skin barrier repair and is ideal for facial skin as well as non-facial skin such as hands, arms and legs.

50 mL / 1.7 Oz.

Providing the power of retinol

The wide range of delivery systems developed by ZO® maximize the effectiveness of vitamin A (retinol) to reduce the signs of aging including fine lines, wrinkles, sun damage and age spots.

Stimulating dermal cellular function

Retinol, a vitamin A derivative, is one of the few substances with molecules small enough to penetrate the epidermis and reach skin receptors. There, it stimulates the natural production of collagen and elastin, the core building blocks of healthy skin.

Utilizing stabilized retinol for effectiveness

ZO® delivery systems minimize the breakdown of retinol as it is delivered into the skin, ensuring maximal efficacy.

Hydrating and
calming without
the harmful effects
of moisturizers

Contrary to popular belief,
traditional moisturizers do more
harm than good by resting on
top of the skin's outermost
layers and artificially hydrating
from the outside. As a result,
skin cells are no longer triggered
to produce their own means
of hydration. This slowing of
the natural hydration process
leads to weakened skin barrier
function and a dependency on
moisturizers.

ZO® hydrators contain key
ingredients that rejuvenate
these slow-producing cells
and stimulate them to begin
producing hydration from within
so skin looks revitalized,
healthy and youthful.

Ommerse® Renewal Crème

This daily hydrator contains encapsulated retinol, powerful antioxidants and a natural anti-irritant agent to calm, replenish, rejuvenate and repair the skin's moisture barrier. It also provides antioxidant protection to repair and prevent free radical damage.

50 mL / 1.7 Fl. Oz.

Ommerse® Overnight Recovery Crème

This soothing formula contains calming agents that help prevent inflammation as retinol and other anti-aging ingredients work actively overnight to repair and regenerate skin cells. It also helps reduce fine lines and wrinkles while reinforcing the skin's barrier to protect against transepidermal water loss.

50 mL / 1.7 Fl. Oz.

Oraser® Body Emulsion Plus

This formula improves the quality, texture and overall health of the skin while reversing the look of dry, dull skin as well as brown spots, hyperpigmentation and loss of firmness. Its exclusive 12-hour time-release antioxidant complex provides continuous protection against oxidative stress.

240 mL / 8 Fl. Oz.

Oraser® Correcting Hand and Body Scrub

This breakthrough in hand and body exfoliation makes a dramatic and immediate improvement in the appearance of dry, rough and scaly skin. Its dual-chemical and mechanical-exfoliating system uses salicylic acid and sugar crystals. Shea butter, mango and safflower oils soften skin and make hands, feet and all areas of the body look and feel hydrated.

Net Wt. 170 g / 6 Fl. Oz.

Oraser® Cellulite Control
Body Smoothing Crème

A breakthrough blend of ingredients works around the clock to minimize the appearance of thigh contour and the visible signs of cellulite. Visibly smooths hips, thighs and buttocks for a slimmer appearance.

Net Wt. 150 g / 5.29 Oz.

Revitratol™ Epidermal
Repair Crème

This dual-purpose formula delivers essential hydration for post-procedure, compromised and severely dry or irritated skin. It supports the skin's natural regenerative process and helps improve the appearance of fine lines and wrinkles. Its rich hydrators restore the skin's barrier while branched beta glucan helps reduce the appearance of redness.

Net Wt. 113 g / 4 Oz.

Restoracalm™ Soothing Recovery Crème

This formula is made with antioxidant plant stem cell technology and calming proteins used to help reduce redness and irritation while stimulating natural skin barrier recovery. It also provides immediate comfort and hydration for sensitive, weak or compromised skin while protecting skin from sun-induced damage.

50 mL / 1.7 Fl. Oz.

Oraser® Nourishing Hand Crème

This nourishing formula helps reduce the signs of aging in the hands with powerful retinol and enzymatic skin resurfacers. Skin brighteners help minimize and prevent pigmentation accumulated from years of environmental exposure. A potent combination of antioxidants and redness preventers aid in combatting skin aging.

100 mL / 3.4 Fl. Oz.

Liprebuild™ Advanced Therapy
Lip Treatment

This treatment uses a clinically proven moisture-recycling technology to reverse and restore severely dry, cracked and wrinkled lips. It stimulates collagen production, plumps lips to improve overall appearance and provides protection against the effects of continued environmental exposure.

Net Wt. 16 g / 0.56 Oz.

Getting Healthy,
Blemish-Free Skin

Treating acne is only part of the solution. An effective acne regimen is not complete without a ZO® Getting Skin Ready system to stimulate the skin to function properly.

Healthy skin starts here

Restoring overall skin health is essential in both the treatment and prevention of acne, as healthy skin is less susceptible to acne. Removing surface debris, dead skin cells and decreasing excess surface oil are just a few of the essential first steps. A ZO® GSR system and a ZO® acne regimen make the perfect pair in targeting, treating and preventing future breakouts for healthy, blemish-free skin.

AVAILABLE IN
LIGHT &
MEDIUM

Effects® Correct + Conceal
Acne Spot Treatment

This hydrating corrector and concealer provides long-lasting matte coverage with a targeted spot treatment that helps to clear up active breakouts. Our triple-action nourishing complex helps to prevent post-acne marks while advanced phyto-technology helps calm and soothe red, irritated acne lesions.

Net Wt. 2.5 g / 0.09 Oz.

Effects® Sulfur Masque
Acne Treatment

This natural clay-based formula delivers maximum strength sulfur medication to treat and prevent breakouts on the face, neck, chest and back. Kaolin and bentonite purify pores and help absorb excess oil while skin hydrators help combat dryness.

Net Wt. 85 g / 3.0 Oz.

Aknetrol™ Acne Treatment
Benzoyl Peroxide 10%

This maximum-strength, acne-fighting formula contains benzoyl peroxide (10%), tea tree oil, glycerin and antioxidants to help prevent future breakouts. It immediately minimizes surface oil, reduces redness, increases cellular turn-over to help decrease the spread of bacteria, and clears clogged pores.

60 mL / 2 Fl. Oz.

Aknebright™ Acne Spot and
Pigmentation Treatment

This targeted acne and brightening treatment offers rapid relief from acne lesions and post-inflammatory hyperpigmentation. It features LiquiPatch™ technology and rollerball application for clean, easy and superior application and penetration.

15 mL / 0.5 Fl. Oz.

ROZATROL™
Treatment For Red, Sensitized Skin

Nearly 80% of rosacea patients reported having to use more than one medication to manage the condition.*

Rozatrol™ features a multiplex of ingredients to relieve the visible symptoms known to be associated with rosacea. All in One Tube.

This multi-modal treatment works to normalize skin by reducing excess oil, which can lead to inflammation. It also provides ultra-mild exfoliation and supports optimal micro-circulation to prevent signs of premature aging.

50 mL / 1.69 Fl. Oz. U.S.

Decrease in severity of rosacea, flushing and redness symptoms at six weeks.

Independent third party study of 22 subjects to assess the efficacy potential of Rozatrol™ in minimizing the signs and symptoms of Rosacea. Subjects were evaluated at 2, 4, and 6 weeks with the following protocol AM and PM: Oilacleanse™, Rozatrol™ and Occlipse-C™ SPF 50 in the AM. *Source: National Rosacea Society Survey

The Power of Triple-Spectrum Protection

The ZO® sun protection portfolio offers scientifically superior sunscreens with the broadest, most comprehensive range of sun protection available. Our advanced, triple-spectrum protection shields against UVA/UVB, HEV (high-energy visible) light and IR-A (infrared) rays.

Sunscreens protect against UVA/UVB

The ZO® sun protection portfolio offers both physical and chemical sunscreens that provide broad spectrum protection against harmful, skin-aging UVA rays and skin-burning UVB rays. Our physical sunscreens incorporate proven titanium dioxide while our chemical sunscreens incorporate a blend of FDA-approved filters. All ZO® sunscreens are oxybenzone free.

Fractionated melanin protect against HEV

Fractionated melanin shields the skin from the aging effects of HEV (high-energy visible) light. Protection from this light is especially important as exposure comes from many daily sources including the sun, fluorescent and LED lighting, smart phones, computers, tablets and more.

Antioxidants protect against IR-A

Engineered with our exclusive 12-hour, time-release ZOX¹²™ complex, our sunscreens help shield the skin from harmful IR-A (infrared) rays. They also help protect the skin from free radical damage and prevent future signs of premature aging.

ZO® PROVEN PROTECTION

Proven to be photostable, which means they won't breakdown when exposed to sunlight, ZO® sunscreens provide both short and long term protection against the harmful effects of the sun. Each recommended by the Skin Cancer Foundation for daily use.

PHYSICAL SUNSCREEN
ZOX¹²™

Occlipse® Sunscreen + Primer

The Facts about Aging

Age. Genetics. Diet. Stress. Environment. Sun. Over time, these factors contribute to the visible signs of aging. These signs include the appearance of fine lines, wrinkles, dullness, uneven skin tone and the loss of natural hydration. ZO® Phases of Aging programs are specifically designed to address both the visible signs and key triggers of aging at every phase.

	WHAT WE SEE ON OUR SKIN	WHAT'S HAPPENING TO OUR SKIN
PHASE I	<ul style="list-style-type: none">• Early fine lines• Dullness and dehydration• Enlarged pores	<ul style="list-style-type: none">• Slow skin renewal• Reduced hydration• High oil gland activity
PHASE II	<ul style="list-style-type: none">• Fine lines and early signs of wrinkles• Early signs of sagging near eyes• Uneven skin tone	<ul style="list-style-type: none">• Reduction in collagen and elastin production• Moderate drop in hydration production• Uneven pigment distribution
PHASE III	<ul style="list-style-type: none">• Rough texture• Excessive sagging near eyes, abundance of fine lines and wrinkles, dehydration• Excessive uneven skin tone and age spots	<ul style="list-style-type: none">• Lack of cellular turnover and natural exfoliation• Significant reduction in collagen and natural hydration production• Severe uneven pigment distribution

Phase I: Daily Skincare Program

The first line of defense against fine lines and wrinkles is to keep skin hydrated and protected from damaging sun exposure. The Daily Skincare Program is an every day skincare essential to help strengthen and maintain healthy looking skin. It is specifically formulated to:

- Help preserve and maintain a more youthful looking complexion
- Help prevent future damage by protecting skin from the sun
- Improve and maintain the appearance of even skin tone and finer pores
- Keep skin hydrated

Contents	
Effects® Exfoliating Cleanser	40 mL / 1.5 Fl. Oz.
Effects® Exfoliating Polish	16.2 g / 0.57 Oz.
Effects® TE-Pads	20 Packettes
Ossential® Daily Power Defense	30 mL / 1 Fl. Oz.
Occlipse® Sunscreen + Primer SPF 30	15 mL / 0.5 Fl. Oz.

Phase 2: Anti-Aging Program

This moderately aggressive program made with highly advanced anti-aging ingredients and technologies is designed to help reduce the appearance of early or significant signs of environmental and chronological aging. It is specifically formulated to:

- Help reduce the appearance of fine lines and wrinkles
- Promote a more even-looking skin tone and finer pore appearance
- Preserve and maintain a more youthful looking complexion
- Help prevent future skin damage by protecting against the harmful effects of the sun

Contents	
Effects® Exfoliating Cleanser	40 mL / 1.5 Fl. Oz.
Effects® Exfoliating Polish	16.2 g / 0.57 Oz.
Effects® TE-Pads	20 Packettes
Ossential® Daily Power Defense	30 mL / 1 Fl. Oz.
Ossential® Growth Factor Serum Plus	30 mL / 1 Fl. Oz.
Occlipse® Sunscreen + Primer SPF 30	15 mL / 0.5 Fl. Oz.

Phase 3: Aggressive Anti-Aging Program

Deeper lines and wrinkles, hyperpigmentation (age spots, sun damage) and thinning skin with reduced elasticity and firmness all require more aggressive treatment. The Aggressive Anti-Aging Program features potent formulas with enzymes, a functional hydrator and antioxidants. It also contains a high concentration of retinol, a topical ingredient proven to mitigate the effects of environmental and chronological skin aging. It is specifically formulated to:

- Help reduce the appearance of deeper lines and wrinkles
- Minimize the appearance of hyperpigmentation and age spots
- Promote a more even-looking skin tone
- Aid in strengthening the skin by keeping hydration at the proper level
- Help maintain results achieved with lasers or medical treatments

Contents	
Effects® Hydrating Cleanser	40 mL / 1.5 Fl. Oz.
Effects® Exfoliating Polish	16.2 g / 0.57 Oz.
Effects® TE-Pads	20 Packettes
Ossential® Daily Power Defense	30 mL / 1 Fl. Oz.
Ossential® Advanced Radical Night Repair	30 mL / 1 Fl. Oz.
Ommerse® Renewal Crème	50 mL / 1.7 Fl. Oz.
Occlipse® Sunscreen + Primer SPF 30	15 mL / 0.5 Fl. Oz.

Targeted Program Solutions

These comprehensive programs are designed specifically to provide solutions for some of the most common skin concerns. ZO® offers programs which feature solutions for brightening, with both hydroquinone and non-hydroquinone options, therapeutic treatment for red, sensitized skin, and acne prevention and treatment. All conveniently air travel safe.

ZO® Non-Hydroquinone Hyperpigmentation System
For Restoring Even Skin Tone

Designed by Zein Obagi, MD to reduce the appearance of hyperpigmentation without the use of hydroquinone. This system is specifically designed to promote a smooth, even skin tone. Potent retinol, skin brighteners, vitamin C and antioxidants are released to rapidly brighten and even skin tone quality and improve the appearance of skin's texture and firmness.

- Ideal for improving the appearance of hyperpigmentation either when hydroquinone treatment is complete or contraindicated, or as maintenance
- For use after completing a course of hydroquinone for 4-5 months
- For use when skin bleaching is not desired and even color tone is the objective
- This system also reduces the appearance of fine lines & wrinkles

Contents	
Brightenex™ Skin Brightener & Correcting Crème	30 mL / 1 Fl. Oz.
Ossential® Daily Power Defense	30 mL / 1 Fl. Oz.
Retamax™ Active Vitamin A Micro Emulsion	30 mL / 1 Fl. Oz.
Restoracalm™ Soothing Recovery Crème	30 mL / 1 Fl. Oz.
Occlipse® Sunscreen + Primer SPF 30	15 mL / 0.5 Fl. Oz.

ZO® Multi-Therapy Hydroquinone System

This all-encompassing program is designed by Zein Obagi, MD to help treat hyperpigmentation, severe texture damage, sun damage, and provide general skin health restoration.

- Treats moderate to severe hyperpigmentation, especially melasma
- Treats severely dry, dull and leathery textured skin to help restore a smooth, healthy glow
- Treats visible sun spots and damage
- Provides longer-lasting results when used for pre/post procedure skin conditioning
- Improves the overall quality, health and appearance of the skin

Contents	
Melamin™ Skin Bleaching & Correcting Crème Hydroquinone 4%	32 g / 1.12 Oz.
Glycogen™ Exfoliation Accelerator	30 mL / 1 Fl. Oz.
Melamix™ Skin Lightener & Blending Crème Hydroquinone 4%	32 g / 1.12 Oz.
Ossential® Daily Power Defense	30 mL / 1 Fl. Oz.
Occlipse® Sunscreen + Primer SPF 30	15 mL / 0.5 Fl. Oz.

ZO® Skin Brightening Program for Hyperpigmentation
Non-Hydroquinone

This skin brightening program is specifically designed to brighten skin tone and lessen the appearance of discoloration. Mild enough for everyday use.

- Ideal for improving the appearance of hyperpigmentation either when hydroquinone treatment is completed or contraindicated, or as maintenance
- Ideal for non-specific discoloration (freckles, liver spots or uneven tone)
- For use when skin brightening is desired
- Reduces the appearance of fine lines and wrinkles

Contents	
Ossential® C-Bright Serum 10% Vitamin C	20 mL / 0.67 Fl. Oz.
Ossential® Brightalive Skin Brightener	30 mL / 1 Fl. Oz.
Ossential® Daily Power Defense	30 mL / 1 Fl. Oz.
Occlipse® Sunscreen + Primer SPF 30	15 mL / 0.5 Fl. Oz.

Acne Prevention + Treatment Program

When skin does not exfoliate as it should, dead cells build up on the skin’s surface and inside the pores. The dead skin cells then mix with trapped oil and the pores become clogged, resulting in blackheads and whiteheads. The Acne Prevention + Treatment Program features essential ingredients to slow sebum activity and break down surface oils, while exfoliating dead skin cells to help repair surface damage, tighten pores and improve skin texture. It is specifically formulated to:

- Control excess oil production
- Remove dead skin cells
- Stimulate healthy cell renewal
- Boost skin’s natural production of collagen
- Calm and soothe inflamed and irritated skin

Contents	
Effects® Exfoliating Cleanser	150 mL / 5 Fl. Oz.
Effects® Exfoliating Polish	65 g / 2.3 Oz.
Effects® TE-Pads	60 Pads
Effects® Sulfur Masque	85 g / 3.0 Oz.

ZO® Skin Normalizing System

Therapeutic treatment for red, sensitized skin

This comprehensive system provides a complete selection of therapeutic products for the treatment of red, sensitized skin. It features Rozatrol™ which relieves the visible symptoms known to be associated with Rosacea. It works to normalize skin by reducing excess oil, which can lead to inflammation. It also provides ultra-mild exfoliation and supports optimal micro-circulation to prevent signs of premature aging.

- Reverses the appearance of existing redness
- Prevents skin redness and inflammation
- Encourages healthy vascular functions
- Helps improve oiliness, enlarged pores, papules and pustules
- Smooths rough texture and evens skin tone

Contents	
Foamacleanse™ Gentle Foaming Cleanser	60mL / 2 Fl. Oz. U.S.
Effects® Exfoliating Polish	Net Wt. 16.2 g / 0.57 Oz.
Cebtrol™ Oil Control Pads	60 Pads

Personalized Professional and At-Home Peels

Offering both professional and at-home peels, ZO® Signature Peels are essential tools for enhancing any daily ZO® skincare routine and creating and maintaining healthy skin for life. These peels are designed for a wide range of skin concerns including sun damage, hyperpigmentation, uneven texture, dullness, fine lines and wrinkles, and acne.

- Professional Peels
- ZO® Controlled Depth Peel™
ZO® 3-Step Peel™
Ossential® Stimulator Peel
- At-Home Peels
- ZO® Retinol Stimulation Peel
Invisapeel™ Intensive Resurfacing Peel

ZO® Controlled Depth Peel™
Professional Treatment

Peel Strength: Maximal
The ZO® Controlled Depth Peel™ is a robust in-office peel that provides dermal and epidermal stimulation and stabilization for a faster recovery and excellent results. Utilizing a concentration of trichloroacetic acid (TCA) buffered for different skin types, this unique ZO® Signature Peel allows physicians to precisely tailor treatment for a range of conditions. The unique peel formula contains a colored base that serves as visual guidance for controlled application over the treatment area based on the patient's desired treatment results.

- Reduces brown spots, age spots and uneven pigmentation
- Minimizes or eliminates the appearance of melasma
- Improves the texture of leathery, sun-damaged skin
- Treats acne and post-inflammatory hyperpigmentation
- Reduces the prevalence of fine lines and wrinkles and tightens lax skin

- Indications
- Melasma, scars, severe skin laxity and severe textural damage
- Usage / Frequency
- Subject to physician
- Healing Time
- 5-14 days

ZO® 3-Step Peel™
Professional Treatment

Peel Strength: Aggressive

The ZO® 3-Step Peel™ is a potent peel that maximizes texture improvement and produces longer-lasting results than ordinary peels. The first step contains a blend of TCA, salicylic and lactic acids to remove the outer layer of the epidermis. The second step utilizes a 6% retinol crème complex and other agents to help reverse signs of aging. The third step rapidly relieves skin irritation and redness while re-balancing vital moisture content.

- Improves skin’s ability to repair and renew for softer and more even skin tone
- Provides powerful antioxidants that help repair skin damage from pollution
- Enhances skin’s natural DNA protection
- Boosts collagen for visible firming and wrinkle reduction
- Supports barrier restoration

Indications

Acne, skin laxity, sun damage, uneven skin tone and lines/wrinkles

Usage / Frequency

Every 3-4 weeks or until desired results are achieved

Healing Time

5-7 days

Ossential® Stimulator Peel
Professional Treatment

Peel Strength: Mild

The Ossential® Stimulator Peel incorporates three essential formulas that prep, peel and neutralize the skin so it looks and feels healthier without irritation or down time. The prep formula first breaks down the lipid barrier to prepare the skin for enhanced penetration of the peel into the epidermis. Next, the peel solution, which utilizes a combination of alpha hydroxy acids (citric, glycolic and lactic acids), is applied to provide both epidermal exfoliation and renewal. Finally, a neutralizer is applied to calm and soothe the skin while restoring it back to a normal pH.

- Stimulates epidermal turnover
- Accelerates exfoliation
- Evens skin tone & improves pigmentation
- Minimizes appearance of fine lines
- Leaves skin calm without irritation

Indications

Fine lines, dullness, rough texture and uneven skin tone

Usage / Frequency

Every week

Healing Time

None

ZO® Retinol Stimulation Peel
At-Home Treatment

Peel Strength: Mild to moderate

The ZO® Retinol Stimulation Peel is an at-home peel that utilizes Ossential® Advanced Radical Night Repair for superficial exfoliation and dermal stimulation. Ossential® Advanced Radical Night Repair contains a high concentration of 1% retinol with antioxidants in a unique anhydrous formulation. This peel is ideal for the face, neck and chest.

- Strengthens and tightens skin
- Improves skin texture for smoother skin
- Decreases the appearance of large pores
- Minimizes appearance of fine lines
- Repairs damaged surface skin

Indications

Rough texture, uneven skin tone, dullness and fine lines

Usage / Frequency

Every month or as directed by a physician

Healing Time

3-5 days

Invisapeel™ Intensive Resurfacing Peel
At-Home Treatment

Peel Strength: Light with no visible peeling

Invisapeel™ Intensive Resurfacing Peel utilizes a multi-targeted plant enzyme to help stabilize the epidermis for smoother, firmer and brighter skin. The peel addresses a wide range of skin conditions including uneven texture, acne, PIH, flaky skin and visible signs of sun damage.

- Enhances the results of topical agents
- Optimizes and accelerates treatment results
- Improves skin barrier function
- Ideal for facial skin as well as hands, arms and legs
- Helps to even skin tone

Indications

Flakiness, dullness and dryness

Usage / Frequency

2-3 times per week

Healing Time

None

POST PROCEDURE RECOVERY

ZO® Post Procedure Recovery System

The ZO® Post Procedure Recovery System, developed by Zein Obagi, MD, is a breakthrough program for advanced 7 day healing designed for use after laser resurfacing procedures, chemical peels or any combined ablative treatment. The three products in the system are formulated to synergistically deliver the most advanced technology available to protect and soothe skin while natural re-epithelialization of the skin is completed.

- Helps accelerate tissue recovery
- Prevents skin cracking and scab formation
- Helps provide a barrier against infection
- Promotes natural skin recovery
- Provides comfort to irritated skin
